

How you can help...

Community support is critical to the sustainability of the Lamoille Family Center.

We could not do this work without you!

You can help by:

- Making a financial contribution
- Becoming a Sustaining Donor
- Including LFC in your Planned Giving
- Making a contribution of goods or services
- Hosting a fundraising event
- Volunteering in one of our programs
- Connecting the Family Center to other individuals, businesses, or foundations who might be interested in supporting our work

For more information, please call (802) 888-5229 or go to www.lamoillefamilycenter.org/donate.

“Home was a hard place to be at, but I knew I could always turn to one place for any kind of help I needed – the Family Center.”

“I am a single mom of four and have raised them by myself. If not for LFC helping, a bump in the road would have turned into a mountain for us.”

“The Lamoille Family Center helps me have the ability to raise healthy, empathetic, happy future adults. The presenters and staff are so approachable—I’ll probably call them for the rest of my life!”

“Through my entire life, the Lamoille Family Center has been like my airbags. They don’t let me fall—instead, they help me move forward.”

Lamoille Family Center

*Encouraging, Educating
& Celebrating Families
Since 1976*

For over forty years the Lamoille Family Center has encouraged, educated and celebrated families. Raising children is an important and challenging job for all parents and the outcomes of that endeavor have a profound impact on our communities and society. The Family Center is firmly committed to developing a system of care for children and families that weaves together the best practices of professionals, the wisdom and experience of families, and the strengths and hopes of the community.

As one of fifteen Parent Child Centers across the state, the Family Center serves approximately 4,000 children, youth, parents and caregivers annually throughout the Lamoille Valley.

For more information about any of our services, call (802) 888-5229 or go to www.lamoillefamilycenter.org

Mission: The Lamoille Family Center is a nonprofit organization that promotes the well-being of Lamoille Valley children, youth and families and supports them in meeting life's challenges through education, direct services and advocacy.

Lamoille Family Center Services

Children's Integrated Services

Early Childhood & Family Mental Health - Assists children, families, child care and other service providers to promote and support children's healthy social, emotional, and behavioral development.

Early Intervention - Provides services to families with children up to age three who have a medical diagnosis, a delay, or the high probability of a delay in their development or growth. Children receive services such as speech therapy and physical therapy, while parents receive training and service coordination.

Nursing and Family Support - Provides home visits to parents and their young children to help ensure a healthy start in the early years of a child's life.

Specialized Child Care - Provides child care coordination services for families who are experiencing significant stress, have a child with special health needs, or have exceptional circumstances.

DULCE (Developmental Understanding and Legal Collaboration for Everyone) - A Family Specialist is placed at Appleseed Pediatrics to proactively address social determinants of health to promote healthy development of infants from birth to six months of age and provide support to their parents.

Child Care Support Services

Child and Adult Care Food Program - This federally sponsored program provides cash reimbursement to providers for nutritious meals served to children in their registered child care settings.

Child Care Center - Provides high quality care for up to eight children under the age of two on site at the Family Center. The program promotes the physical, social, emotional and cognitive development of young children while responding to the needs of the families.

Child Care Financial Assistance (formerly Subsidy) - Specialists assist income eligible families who have a service need (employment, training, etc.) through the subsidized child care process.

Child Care Referral - The Referral Specialist offers information on quality child care and maintains a database of all registered and licensed child care programs in the Lamoille Valley.

Youth and Young Adult Services

Prevention and Stabilization Services for Youth and Families (PSSYF) / Lamoille Interagency Network for Kids (LINK) Provides strength-based services for youth who are at risk of running away and youth and young adults facing homelessness. The programs also offer crisis intervention, family conflict resolution, case management and temporary shelter.

Reach Up Job Coaching - Our Job Coach helps young parents receiving financial assistance from the Reach Up program to overcome barriers to self-sufficiency by completing a high school education, identifying strengths, setting goals, gaining and maintaining employment, and balancing work and family life.

Family Support Services

Emergency Needs Family Outreach - Provides families in need with limited funding for needs such as food, gas and utility bills and goods such as diapers, clothing and children's items.

Holiday Project - On a Saturday in December, parents (or guardians) who have registered with the Family Center, choose new toys for their children as well as donated books, hats and mittens.

Parent Education - Offers parenting support services including training sessions, written resources, and referrals for parents and caregivers with children of all ages.

Hometown Playgroups & Baby Chat - An early childhood expert hosts meet-ups around Lamoille Valley so that families with young children can gather together to play and build relationships.

Send Kids to Camp - With the help of local business sponsors, we offer scholarships to kids and youth who wouldn't otherwise be able to afford summer camp.

Prevention Programs

Healthy Lamoille Valley - Healthy Lamoille Valley is a coalition of community organizations and individuals working collaboratively to encourage youth to make substance free healthy choices.
