

Child Care Financial Assistance State's Capped Rates

Effective July 3, 2022

The State's capped rates are the maximum amount the State will pay to a child care provider on behalf of a family receiving child care financial assistance. The State will pay the lesser of the two: up to the provider's rate or the State's capped rate. To receive the maximum amount the State pays, a child care provider may need to increase their rates. For more detailed information about payments, which includes examples, please see our [fact sheet](#).
